Aida - St. Margarethen Open Air Opera

Love knows no bounds. It doesn't care about social status, regulations or laws. Love follows its own path. Also, if this leads into ruin as with the graceful Aida and Radames. Hollywood director Robert Dornhelm succeeded with his opulent staging of Verdi's masterpiece in showing opera stars like Kristin Lewis (Aida), Martin Muehle (Radames), Annunziata Vestri (Amneris) under the musical direction of Alfred Eschwé.
