## 7 Wonders

### 7 Wunder

Big and small miracles, spectacular as well as hidden sensations all feature in the popular science magazine for children "7 Wonders", created and hosted by Thomas Brezina. He and Nelson, his pilot, are travelling the world in their flying Wonder Express «Crazy Lola» to present seven wonders per show - be it the Dead Sea (where Thomas likes to read a newspaper whilst swimming), the language of dolphins, historical sensations that still astound us today or «do it yourself wonders» that show children how they too can create something amazing. There are things to marvel at, not only far away, but right around the corner.
