## A Real Lady

### Feine Dame

Regina Steinberg, the obnoxious wife of a dentist, lives a pleasant life - thanks to her husband Julius, who works day and night to that end. Nora, Regina's friend, is nice, single and jobless. So Regina gets her a job as assistant to Julius, but not only out of kindness: she also wants her to keep a close eye on her husband as she suspects him of having an affair. But things turn out differently as poor Julius, permanently neglected by his wife, falls in love with Nora who is so different from Regina. With this unexpected pleasure of a new love he decides to reinvent himself. The conscientious and emotional Nora, striving for a loyal attitude, tries hard to fight her feelings for clumsy Julius but in the end succumbs to his attraction. When Regina finds out that Nora is Julius' mistress, Nora personally experiences that Regina is no «real lady» at heart.
