

SYNOPSIS

Deadly Souvenirs

Tödliche Souvenirs

A series of murders in the middle of the tourist season frightens the cheerfully bustling town of Lahenberg out of its usual complacency.

Afraid for their lives, the tourists are scrambling to leave the village, spelling certain financial ruin for Lahenberg's hotel owners. The investigation of Moritz Eisner and Stefanie Gschnitzer becomes a race against time, with the killer committing a perfectly planned and executed murder of a tourist on a daily basis and leaving behind each time a «deadly souvenir»- a snowball.
