

SYNOPSIS

Hansi Hinterseer - Music & Nature: Salzkammergut

Hansi Hinterseer - Musik & Natur: Salzkammergut

In the first program of the year, Hansi Hinterseer visits the Salzkammergut. The focus is on the lake Attersee, along with the bogs located in the region. On this show he meets all sorts of guests who introduce him to fishing around the Attersee, drops by the Konrad Lorenz Research Centre in Almtal and searches for traces of Gustav Klimt's time at the Attersee. Furthermore, he visits the Traunsee and the Wolfgangsee - which guarantees wonderful musical moments with the superstars of folk music.
