

SYNOPSIS

The Wonderful World of Walter Schmögner

Walter Schmögners Wunderwelt

Walter Schmögner - painter, illustrator, musician and experimental filmmaker. In this intimate portrait we delve into the unique world of this all round genius and master of the art of living, moving between his art and family, private moments and public vernissage. From 1969 to 1976 Schmögner made numerous Super-8 films documenting his journeys to Luxor, Cairo, Toledo, Morocco and Apulia, as well as experimental films, which help us to understand the man behind the artist - all of which are full of intoxicating artistic images.
