## Austria - From Above and Below

### Österreich - oben und unten

"Dreamland Austria" - Joseph Vilsmaier paints a breathtakingly beautiful picture of the alpine republic. From above, we see the tremendous natural spectacle of the mountains and fly over deep valleys, lakes and rivers. And "below"? Intimacy is created. As the herdsman drive their cattle down into the valleys, as we watch the traditional handcraft, festivals and the arts in action. The juxtaposition of landscape, tradition, technical innovation and pulsating life creates a completely new image of Austria, scored with great feeling by Hubert von Goisern. Fantastic classic cinema - for our eyes and ears.
