

# SYNOPSIS

## Rastafari - Peace, Love and Justice

### Rastafari - Gleiche Rechte und Gerechtigkeit

Ever since, some people on the Caribbean island of Jamaica have considered the only globally acknowledged black ruler of the time as God Jah, the Redeemer, henceforth calling themselves Rastafari or Rasta. For them, Jamaica was but the imperial slum of Great Britain, while Africa was their ancestors' home, and reggae their powerful medium.

**Year:** 2007
