## Summer in Yalta - Rooms for Rent

### Jalta im Sommer - Zimmer frei

Until the days of Perestroika, the Soviets built sanatoriums and convalescent homes along the peninsular shores; these were financed by the national trade unions, which issued travel vouchers, so-called "Putyovka", to their members. For the inhabitants of Crimea, who rent rooms during the holiday season, summer is the only time of the year in which there is work - for as everywhere in the former Soviet Union, Ukrainians are left to themselves by a corrupt and bankrupt state.
