

SYNOPSIS

Seals & Stamps - The History of Marking

Mit Siegel und Stempel - Die Geschichte des Markierens

Six and a half thousand years ago, merchants of the Indus Valley Civilization already used metal customs stamps for their trading activities with Mesopotamia. Covering different periods in time and space, the film features the history of marking - from its beginnings on Babylonian clay tablets and cylinder seals to medieval lords' seals and, last but not least, modern self-inking stamps.

Year: 2005

Run-Time: 1 x 45 min.
