

SYNOPSIS

Wasteland Warriors

Wiener Gstettn - Wildnis in der Großstadt

Surrounded by barren cities, sterile concrete, more and more animals are losing their last places of retreat. Vienna continues to grow inexorably but nature sprouts and re-conquers its territory. More than two thousand species of plants can be found in the city alone, as well as half of all Austrian breeding birds and two thirds of the country's mammals.

Year: 2009

Run-Time: 1 x 52 min.

Directed by Thomas Rilk

Written by Andreas Laschober, Thomas Rilk

A co-production Rilk Film; ORF and BMBF in association with Stadt Wien
