## Daniel Brühl - My Barcelona

### Daniel Brühl - Mein Barcelona

Daniel Brühl, the famous German film actor, gives viewers a guided tour of the city in which he was born. The son of a German director and Spanish teacher first came to international notice when he starred the lead role in the film «Good Bye Lenin». His international breakthrough came with a leading role in Quentin Tarantino's »Inglourious Basterds«. From sunrise to the next morning, from Tibidabo Mountain to the sea, on his long walk through the Catalan metropolis, Brühl presents the areas of the city that mean the most to him, such as Sant Gervasi, where he spent parts of his childhood. Away from the tourist trail, he shows off his favourite spots in Barcelona.
