

SYNOPSIS

Scene of the Crime - Defenseless

Tatort - Wehrlos

The body of the head of the police academy is discovered. At first everything points towards suicide with his own service weapon, especially as his wife has been found dead on the top floor of the building. It seems he beat her to death in the heat of the moment. But the autopsy paints a whole other picture. The projectile in his chest wasn't fired from his own weapon; yet the type of bullet is a police-only issue. That means the perpetrator is most likely from his own ranks. Moritz Eisner and Bibi Fellner's investigations at the police academy dig up some extremely suspicious facts.
