

SYNOPSIS

Where Lemons Bloom - Sweet-Sour Travels from the Alps to Sicily

Wo die Zitronen blüh'n - Eine süßsaure Reise von den Alpen bis Sizilien

In supermarkets, they are usually yellow, but green is actually their natural colour. Brought to Sicily by the Arabs a thousand years ago, lemons and citrus fruits have been cultivated ever since, from there and all the way to the Alps in Tuscany. And they have much more to offer than what most of us imagine.
