Single Bells

Single Bells

She can no longer suppress her longing for a happy family and her own children. And she invites herself - without Jonas - to her sister's Christmas celebration. A white Christmas in the bosom of a big family appears to be an alternative. But at her sister's house, brother-in-law Joe, the two mothers-in-law and grandmothers, and the two children provide spirited turbulence under the Christmas tree. A continuation of this production, "Oh Christmas Palm", is also available.
