

SYNOPSIS

The Road to Istanbul

Straße nach Istanbul

The bank has denied Nehoda any additional loans, and in order to finance the repairs to his truck he needs to make the transport, he smuggles a crate of explosives on board to sell later on. The explosive cargo is hidden among the art treasures in the container. One of the sponsors of the exhibition, Dr. Tahir from Turkey, tries to get hold of the Turkish treasures. Emmi Berger and Nehoda notice right away that they are being followed. The truck bumps along the roads, the explosives bump along with it. After a long and eventful drive, a confrontation with Dr. Tahir takes place in Istanbul.
