## His Mother & Me

### Seine Mutter und ich

If only Marie had known what her dream wedding with the airline pilot Hubert would bring, she would have reconsidered her decision to get hitched. Marie's mother-in-law Leopoldine, who has kept a jealous watch over her son since the death of her husband, refuses to be happy for the newlyweds. She takes every opportunity to put the relationship to the test. Nothing changes when Marie gets pregnant and moves back into Hubert's parents' house. Leopoldine wants to make Marie sick of life - by any means. And Hubert? He travels the world, happily jumping into bed with stewardesses. As the conflict with Leopoldine begins to escalate, Marie receives unexpected help from the mistress of her father-in-law, Rosa, and her son Georg. Marie discovers that, according to Hubert's father's will, Rosa and Georg should have inherited Leopoldine's house. And as if that wasn't enough - Georg is Hubert's brother! When Marie gives birth to her baby she decides to make a fresh start. She separates from Hubert and confronts Leopoldine with the truth about her dead husband.
