Molly & Mops - Life is not a Piece of Cake

Molly & Mops - Das Leben ist kein Gugelhupf

Molly's café in Salzburg went bankrupt. Then she reads about a high-calibre confectioner's competition to be held in Vienna. If she could win, all of Molly's financial problems would be solved! But from the first day everything in Vienna goes wrong. First Molly's competition entry is ruined.

However she succeeds, without ingredients or a kitchen - and not least thanks to Mops - in producing a new creation overnight in a laundrette. Despite the stiff competition, Molly gets through the first round and finally reaches the final with two other contestants. A game of intrigue behind the scenes of the show and Lukas, her attractive fellow competitor, threaten to upset Molly's emotional balance still further ... Molly's grandmother, Klara, and friend, Azra, battle through the exciting events with her.
