

SYNOPSIS

Polt II - Flowers for Polt

Polt II - Blumen für Polt

It is springtime and work in the vineyards is in full swing, when two tragic accidents suddenly disrupt Simon Polts happy indulgence. Rudi Riebl's death in an accident comes as no surprise to anybody. But why did the handicapped Willi, Polts friend, get so close to the dangerous terrain that he actually fell to death? Simon Polt feels that the people around him have resigned far too quickly to the version that these were accidents that just happened to occur in such rapid sequence. As stubborn as ever in finding the truth behind the facts, Polt even puts his budding love for teacher Karin Walter at stake.
