

SYNOPSIS

Tatort - Never Again Opera

Tatort - Nie wieder Oper

In the home for aging artists, deaths are multiplying. The investigation of the mysterious death of the star tenor, Oskar Weisshaupt, leads the «Scene of the Crime» team to a network of dark doings. Not only are the shady manager of the home and his aides suspect, but also the star's various ex-girlfriends. ORF succeeded in winning a large number of high ranking Austrian and international opera stars to play the inhabitants of the artists' home.
