## Old but Polt

### Alt aber Polt

In the sixth film adaptation of Alfred Komarek's book series, the former police inspector Simon Polt may be retired, but he is definitely still alive. Polt mixes with the winegrowers' crowd. Every first Sunday of the month, he invites them for a friendly get-together in his wine press house. After their Sunday gathering, the walk home by night through the Kellergasse goes terribly wrong. The next day, when Polt finds out about these events, he is once again faced with a mysterious crime to solve. But he wants the truth, now more than ever. Polt hasn't changed one bit.
