

SYNOPSIS

Hinterseer - Music and Nature: Discovering the Grossglockner

Hinterseer - Musik und Natur: Unberührte Bergwelt in den hohen Tauern

Music, nature and great entertainment. Accompanied by other pop stars, Hansi Hinterseer presents the most beautiful landscapes the Alps have to offer. In this episode, the scenic highlights «Around the Grossglockner» are the main attraction. Protecting nature and the environment, the preservation of culture and traditions and respect for all living things is Hansi Hinterseer's way of life. The Tyrolean promotes his values with liveliness and a touch of humor. Protecting the environment is a top priority for Hansi Hinterseer, as well as the environmental organization WWF, who supports this program. Along with other pop stars, Hansi Hinterseer is accompanied by his loving dog Bella.
