

SYNOPSIS

Let's Dance!

Let's Dance!

«Let's Dance» is the story of people who have one thing in common: the love of dance. Breakdancing, ballet and Latin dance are their passions, and all have one great goal: to appear on stage. Director Florian Gebauer accompanies a Latin formation, a breaker combo and students of the Vienna State Opera ballet school on the way to the decision on success and failure. In the process, he captures the passion to dance, shows personal moments and provides some interesting insights into the extensive rehearsal and preparation work. And of course the camera is there when the curtain finally rises.
