Everybody Waltz

Alles Walzer - 50 Jahre Wiener Johann Strauß-Orchester

With this festive concert the Johann Strauss Orchestra celebrates its 50th anniversary!

The Vienna Johann Strauss Orchestra can rightly claim to be one of the most authentic ensembles for interpreting the music of the Strauss dynasty. In 1966 -- nearly 120 years after Johann Strauss I had founded the Strauss Orchestra, the great demand for high-quality interpretations of light music led a group of musicians in Vienna who belonged to the small ensemble of the Austrian Radio Orchestra to found the Vienna Johann Strauss Orchestra. The aim of new orchestra was to cultivate both the music of the Strauss dynasty, as well as so-called 'light' Viennese music. It was formed of fortytwo musicians, that it to say the ensemble was the same size as that which, according to authentic accounts, was preferred by the members of the Strauss family.
