

SYNOPSIS

Karajan - Requiems by Verdi, Brahms & Mozart

Karajan - Requien von Verdi, Brahms & Mozart

Herbert von Karajan also often confronted himself with spiritual music. Especially the Mozart, Verdi and Brahms Requiem were always performed in the utmost quality, whereas before all else Verdi's *Messa di Requiem* demands excellent opera voices.

In the Musikvereinsaal in Vienna in 1984 with the Vienna Philharmonics, the soloist quartet Anna Tomowa-Sintow, José Carreras, José van Dam and Kurt Moll was available. The Mozart Requiem in 1986, again in the Vienna Musikvereinsaal with the Vienna Philharmonics, Anna Tomowa-Sintow could be heard again as the soprano, Vinson Cole as tenor, Paata Burchuladze as bass and Helga Müller Molinari as alto. Whereas the Brahms German Requiem, again in the Vienna Musikvereinsaal in 1985 with the Vienna Philharmonics, Kathleen Battle, soprano, Jose van Dam, baritone, along with the Vienna Singverein guaranteed an unforgettable event.
