## Springtime in Vienna 2009

### Frühling in Wien 2009

A «symphonic cruise» through sea, wind, swell and waves from the Hebrides to the North Sea. The orchestra travels with the «Flying Dutchman» (Overture Richard Wagner) in a «Dialogue Between Wind and Waves» (Claude Debussy) and «Without Stopping» (Eduard Strauss) in a «Barque on the Ocean» (Maurice Ravel) over «Swells and Waves» (Johann Strauss). It's a journey embellished along the way with lively waltzes and polkas, a hallmark of Viennese classical music.
