

SYNOPSIS

Our Vienna State Opera - Remembering the Rebirth of an Opera House

Unsere Wiener Staatsoper - Erinnerungen an einen Neubeginn

The reopening of the Vienna State Opera with Beethoven's «Fidelio» in November 1955 was the beginning of a new era in Austria. Hit in an American bomb attack at the very end of World War II it later on became a symbol for the cultural rebirth and strength of a country. This documentary presents a crucial point in history by gathering almost all the main witnesses of this era and exquisite archive-footage as well as using reenactments and CGI-animations.
