

SYNOPSIS

Parsifal - Indiana Jones & Richard Wagner

Parsifal - Indiana Jones & Richard Wagner

Several years back, kown director Christine Mielitz staged a most controversial production of Richard Wagner's «Parsifal» at the Vienna State Opera. Werner Boote attempts to document the origins of the opera and vividly tells us some real- life backstage stories surrounding the history of «Parsifal».

In a gripping search to uncover the legendary Grail in Spain, the documentary team may have found the true Holy Grail. An adventure story that seems to be taken from Indiana Jones translates the fascination of the «Parsifal» opera into film.
