## Life Ball

### Life Ball

Celebrating the beauty of life and the diversity of world cultures, the Life Ball reinvents the great Viennese Ball tradition with glamorous, outlandish performances and inspirational speeches. Since 1993, world famous personalities and artists have lent their voices and support to Europe's largest and most spectacular annual charity event dedicated to raising support for the worldwide fight against HIV and AIDS. With their personal impulses and involvement, the likes of Sharon Stone, Sir Elton John, Kylie Minogue, Catherine Deneuve, Liza Minnelli, Kim Cattrall, Heidi Klum, Dennis Rodman, Naomi Campbell have inspired courage and promoted the joyful aspects of life, giving a clear sign against discrimination and ignorance.

Experience this sparkling event with breathtaking dance performances, famous music acts such as Simply Red or Grace Jones among others and the glittering spectacle of the famous fashion show in the finale. Both top models and dazzling celebrities can be seen on the catwalk presenting creations from famous designers all over the world. So far Donatella Versace, Jean Paul Gaultier, Vivienne Westwood or Agent Provocateur to name just a few, have contributed their imagination to this statement of humanity, tolerance and understanding.
