

SYNOPSIS

Rigoletto - Opera on the Lake at Bregenz

Rigoletto (Seebühne Bregenz)

In 2019, Giuseppe Verdi's popular opera Rigoletto is being performed on the lake-stage in Bregenz for the first time. Reason enough to follow director Philipp Stölzl as he prepares the Bregenz Festival's most technically demanding production and wanders in the tracks of Verdi. In Mantua, where the opera is set, Stölzl explains his version of the story; in Bristol and Basel he watches the complex set being tested. He starts rehearsals in June - and an opera emerges.
