

SYNOPSIS

Places of Childhood

Orte der Kindheit

This series presents artists, their homelands and the places of their childhoods. What became of their childhood friends and what has changed in the place where they were born? Films and photos of the artists' families are as much a part of this series as the many memories with friends and witnesses to their childhoods.

Year: 2013

Run-Time: 10 x 30 min.

Directed by Ute Gebhardt

Written by Ute Gebhardt

A co-production by ORF and pre tv in association with Cineart and Land Salzburg
