

SYNOPSIS

Total Market Power: The New Religion

Blaue vom Himmel, Das - Der totale Markt als neue Religion

Based on these provocative theses by Carl Amery, this documentary essay analyses whether religions can restrain the market. In a rather controversial debate, the floor among others is given to fashion designer Wolfgang Joop, Catholic theologian Jozef Niewiadomski and writer Ernesto Cardenal.

Year: 2006

Run-Time: 1 x 52 min.
