

SYNOPSIS

The Habsburgs

Die Habsburger

No European event in either war or peace took place without the participation of this dynasty, no controversy between east and west arose in which they were not involved. Thus, the history of Europe can also be told as the family history of the Habsburgs. The documentary by Brigitte Vacha and Alois Hawlik sets out to show the historical facts and an up-to-date interpretation in twelve sequels.

Year: 1993

Run-Time: 12 x 55 min.

ORF
