### Stille Nacht - Heilige Nacht: Die Geschichte eines Weltberühmten Liedes und seiner Schöpfer

One song has gone around the world and become a peace anthem: «Silent Night, Holy Night». The documentary sets out to find when and by whom this great song was invented: in the early 19th century, Franz Xaver Gruber and Joseph Mohr created the song in the middle of the Salzburger Land for consolation in lean times. It is a song which, in its simplicity and grandeur, continues to define Christmas all over the world today.
