

SYNOPSIS

Bloody Edelweiss - The Myth of the Mountain Infantry

Blutiges Edelweiss - Mythos Gebirgsjäger

They defended their homeland, their mountains and valleys - whether as the Tyrolean Territorial Army in 1809 or as the Kaiserschützen regiment in the South Tyrolean Dolomites in the First World War. The legend of the «valiant defenders of the fatherland» lived on with the «Alpenjäger». In the Second World War many Austrians were members of this mountain infantry unit. In this film, the last living »Alpenjäger« tell how they experienced and survived the war.
