

SYNOPSIS

Subhumans - Pursued, Deported, Exterminated

Untermenschen - Verfolgt, Verschleppt, Vernichtet

It was the Third Reich's first declaration of war. Those who didn't correspond to the Nazi ideal of Aryan supremacy were categorised as subhuman and pursued, tortured and murdered. This documentary focuses on the dual racial ideology of National Socialism and shows the method and perfidious perfection of its extermination machine, while also telling the stories of the suffering of its victims.

Year: 2008
