

SYNOPSIS

Freud's Lost Neighbours

Berggasse 19 - Freuds verschwundene Nachbarn

This film traces the history of Sigmund Freud's neighbours from 1938 to today starting off at his former home at Berggasse 19 and depicting the routes which were used in the course of «Aryani za tion» right under the eyes of the Viennese people. Berggasse 19 became a point of remembrance to overcome the «repression» of war, a concept first described by Freud himself.
