

SYNOPSIS

Keyserling - Knowledge and Sense

Wissen und Sinn - Porträt Arnold Keyserling

Surprisingly, he never received any public acknowledgement during his lifetime. He spent many years of his life in India and was one of the first European philosophers who incorporated rites and rituals of other cultures into his own holistic school of thinking. The portrait combines old, recently recovered material of Keyserling with new footage and accompanies him up to his sudden death during the shooting of the documentary.
