

# SYNOPSIS

## The Man On The Balcony

### Der Mann auf dem Balkon

Of the 15,000 children that were brought to this «forecourt» of extermination only around 200 survived, including him. In this film, Rudolf Gelbard returns to the places of his childhood, which he acquaints with feelings of hope and painful experiences: from numerous humiliations he was forced to endure to the November pogrom he witnessed in 1938.
