

SYNOPSIS

Out of Paradise, Back into Hell

Aus dem Paradies zurück in die Hölle

In the years 1941 to 1943 approximately 10,000 Austrian Jews were deported from Vienna to the Belarus capital of Minsk and then on to the National Socialist concentration camp, Maly Trostinez. Only 20 people survived this horror. Amongst them is now 82-year-old Alfred Seiler who has lived in Florida for many years. Tormented his entire life by the dreadful memories from the past, he embarks on a journey to the former sites of horror in an attempt to finally process the terrible experiences in the NS camp. Can he banish them once and for all?
