

SYNOPSIS

Inuit - The Night of Shamanism

Inuit - Die Nacht der Schamanen

Numbering around 900, the residents of this village on the Arctic circle survive mainly on welfare and hunting. Shamanism, the backbone of their culture over thousands of years, was practically wiped out by the missionaries. Today, only a few initiates have knowledge of this healing power. The film follows Jacky Qrunnut in his search for the last Inuit Shaman and depicts the current situation of the Inuit people.

Year: 2002

Run-Time: 1 x 51 min.

Directed by Michael Satzinger, Johannes Steger

A co-production of ORF, bm:bwk and Magic Movie

Languages: German (ORIGINAL) , English (DUBBED)
