

# SYNOPSIS

## The Most Wonderful Day Of Your Life

### Der schönste Tag im Leben

This film depicts various ways of celebrating this unique event. We experience a Jewish wedding and meet an emergency doctor and a nurse, who plan to say «I do» under water. We also accompany a married priest who, against all the teachings of the Catholic Church, marries divorced couples with the blessing of God and a wedding planner organising the «perfect wedding» 100 times a year.
