## The Viennese Outer Ring Road- Between Street Prostitution and Trendy Clubs

### Wiener Gürtel - Straßenstrich und Szenetreff

Where the city was protected by a wall during the era of Prince Eugene, approximately 100.000 vehicles travel the Outer Ring Road every day. However, amidst the heavy traffic, there is a great deal to be discovered: Islands of peace and quiet, churches, theatres, trendy bars and the bordellos of the Viennese underworld. On this slightly different city expedition the viewer meets winners and losers, successful artists and those who did not quite make it, priests, police, whores, «real» Viennese and immigrants.
