

SYNOPSIS

Feathered Friends

Gefiederte Nachbarn - Unsere Gartenvögel

Ornithologist Leander Khil and filmmaker Mario Kreuzer (Kestrels at Close Quarters) team up again for a film about garden birds that will surprise, delight and amaze. Studies of the birds' acrobatic capability, intelligence, survival strategies and struggles create minute-to-minute drama and revelations that will resonate with viewers everywhere.

Year: 2020

Run-Time: 1 x 52 min.

Directed by Mario Kreuzer and Leander Khil

A co-production by ORF and PKM Film

Available worldwide

Languages: German (ORIGINAL)
