

SYNOPSIS

Vultures - Flying Dustbins

Geier - Fliegende Mistkübel

A mix of high quality natural history and fun interviews with scientists and people involved with vultures, this film will have a sense of humor, entertaining and informing about «the flying dustbins». It will answer the important (and unasked) question - why vultures? Produced by Paul Reddish (one of the producers of the multi-award winning «The Magic Trees of Assam»)

Year: 2004

Run-Time: 1 x 50 min.

Paul Reddish

Available for German speaking territories only.

Languages: German (ORIGINAL)
