

SYNOPSIS

Zugspitze - Gem of the Alps

Zugspitze - Berg der Kontraste

«The Zugspitze» at the German-Austrian border is an alpine region of fantastic contrasts. Highmoor, lakes, waterfalls, mountain peaks and ski slopes form a magnificent natural scenery together. Away from mass tourism, and meeting people whose life still revolves around the regional flora and fauna, the film traces remote, un-spoilt reserves of «The Zugspitze» region.

Year: 2007

Run-Time: 1 x 50 min.

Directed by Wolfgang Thaler

Written by Peter Thomsen

A co-production of ORF, BMUKK, WEGA Film, WDR and NDR in association with Cine Tirol and RTR
