

SYNOPSIS

Carinthia - Land of Water

Kärnten - Leben am Wasser

Carinthia has many farmers, craftsmen and fishermen who depend on water for their living. Curt Faudon paints a portrait of these people who live out their lives in the heart of a grandiose and multi-faceted natural landscape that, in spite of tourism, has remained nearly unaltered for the ferrymen in the Rosental Valley and the raftsmen on Lake Weissensee are still plying their trade on the waters of Carinthia.
