

SYNOPSIS

Liguria - Life Between Heaven and Sea

Liguria - Leben zwischen Himmel und Meer

Between Cinque Terre and San Remo, high above the Gulf of Genoa, this filmed journey portrays the beauty of the Ligurian landscape and tells of the lives of people settled along the idyllic «Alta Via dei Monti Liguri»- a hiking trail stretching between heaven and sea. For centuries, the daily lives of the people have been shaped by the simplicity of the special, by myths, and gloriously crazy festivals taking place in many a season of the year.
